# TBA STALLION PARADE 2012

## 10 A.M. TODAY IN THE SALES RING

I am delighted to extend a welcome to you to Tattersalls for their first sale of 2012; a year in which the TBA will continue to work in support of the British Racing and Breeding Industry.

The TBA's role is to protect and promote our Industry, and to do this and to continue to be effective we need the support of all breeders and breeding enthusiasts. Today we are delighted to organize a parade of 15 British based, commercially priced stallions, including two first-season sires. The number of stallions parading has increased year on year, and we are delighted that a growing number of stallion connections now recognise the value of this unique opportunity.

This booklet, sponsored by British Bloodstock Marketing, provides supplementary information on each of the stallions, and I hope that you will take this away with you as an aid in making your covering plans for 2012.

Finally, thank you to the connections of all the stallions parading here today and our commentators Sam Sheppard and Matt Coleman.

We invite you to take time after the Parade to view some or all of the stallions again, at closer quarters in Further Paddock, and to sample the TBA hospitality in Box 459.

Louise Kemble  
Chief Executive

## EUROPEAN BREEDERS' FUND

In the period 1984-2011 the **Trustees of the British European Breeders' Fund** have provided over **£24.9 million** in prize money and breeders' prizes (*flat and jump*).

None of this would be possible without the generous support of British stallion owners/managers and breeders/owners of US-sired yearlings/two year olds.

The **British EBF's** contribution to racing in 2011 was over **£1.2 million** to **500+ races**
