# Alles ist Gut

Key principles for optimising  
gastrointestinal health

Tuesday, 13 August 2024

**EDUCATIONAL EVENT**

We do hope you find the presentations and discussions informative and we thank you for attending. Feedback forms will be circulated to all delegates by e-mail in the days following the event – please do complete them so that we are able to shape future events to meet the requirements of our members and ACCESS subscribers.

The presentations and Q&A session will be recorded and uploaded to TB-Ed in the weeks following the event ([www.tb-ed.co.uk](http://www.tb-ed.co.uk)), so please do check back frequently to access the latest resources and courses.

Other events being run by the TBA this year include:

### Breeders' Day

Warwick Racecourse  
21 November

### Breed Smart Forum

Tattersalls  
28 November

### Stud Farming Course

British Racing School  
10–12 December
